☀ Last year, a record 22,854 lives were saved and an additional 800,000 lives were improved thanks to organ and tissue donations

☀ There are still more than 78,500 people waiting for life-saving transplants

☀ By getting involved and raising awareness about organ and tissue donation, you can help us save and improve even more lives next year!

- Visit our web site to learn about our work and for news in transplantation
- Share your stories with others touched by transplantation in our revised Stories of Hope section
- Help support our outreach efforts to youth through education and the web

**TALK TO YOUR FAMILY ABOUT DONATING LIFE**

*JRI is a nonprofit organization dedicated to educating the public about the need for organ and tissue donation through film, educational outreach and the web*
